Chunghwa Picture Tubes Manufacturing Facility, UK

Development of a £260 million, 110,400 sq m state-of-the-art manufacturing plant on a green field site in Lanarkshire, Scotland as the European Manufacturing Facility for Taiwanese electronics giant Chunghwa Picture Tubes.

Currie & Brown provided full quantity surveying services from conceptual estimates to final accounts, strategic advice to the client, full cost control procedures, cost reporting and valuation approval. In addition, we have provided advice on insurance matters, capital and revenue analysis and assisted in negotiations with the local development agency.

Appointed by: Chunghwa Picture Tubes (UK) Ltd

Coca-Cola, India

Currie & Brown advised Coca-Cola India on the construction of a number of bottling plants in various locations across India, including Bangalore, Goa, New Delhi and Vijaywada.

Appointed by: Coca-Cola Ltd

Fertilizer Plant, Kedah, Malaysia

Currie & Brown was appointed to provide cost management services on a \$200m fertilizer manufacturing facility in Malaysia.

Project value: \$200m

Appointed by: Mitsubishi Heavy Industries, Ltd

Elefsis Refinery Upgrade, Athens, Greece

Currie & Brown provided contract engineering, due diligence, contract administration & cost management advice on the up-grade of an existing commercial oil refinery.

Project value: £50m

Appointed by: Petrola Hellas SA
