

Currie & Brown in the Retail Sector

“FROM SUPERSTORE TO SANDWICH SHOP...
...FROM EASTBOURNE TO ABERDEEN”

Currie & Brown is a major construction consultancy practice with a long and successful track record in the delivery of Cost Management, Programme and Project Management services in the retail sector.

We have been employed in this sector for around 40 years delivering projects from one off department stores to major rollouts of convenience stores throughout the UK.

Our portfolio of retail clients includes a number of the major retailers in the UK along with a number of the smaller, multi-site, retailers.

We understand the retailers' priorities; market and construction needs and seek to ensure we provide a quality service that “delivers the goods”

- Cost Programme Management and Project Management
- Remodels and New Developments
- Financial Appraisals and Feasibility Studies
- Outline Design and Design Review Services
- Management of the Supply Chain, Bulk Purchase and Procurement
- Capital Allowances including ECAs
- Sustainability Input

Currie & Brown Working with Retailers

Over the last 40 years, Currie & Brown has gained an extensive knowledge and understanding of the retail sector, successfully completing a substantial portfolio of projects on time and on budget, by utilising effective cost and project management control. Our portfolio ranges from multi store roll outs, major new developments, remodelling works, extensions and on-going maintenance and refurbishment of existing stores.

Achievements

Over the last five years Currie & Brown have been actively involved in over 350 retail projects that have had a total value of more than £650m. Within this period we have provided multiple services to our clients and our achievements include:

- 116 Remodels and Refurbishments
- 19 Retail Park Stores and Shopping Malls
- 15 Outlet Stores
- Over 150 Food Outlets
- Over 3,000 individual business case evaluations
- 1 Retail Warehouse
- 50 site surveys for fast food outlets
- The development of more than 2.3m sqft of new retail space
